

YEAR 7 CURRICULUM OVERVIEW

Year 7	1	2	3	4	5	6	7	8
Autumn 1 (7 weeks)	Geometry: Co-ordinates & Straight line graphs	Geometry: Transformations (Translation, Reflection, Rotation & Enlargement)				Number: Place value, add, subtract, multiply and divide (positive integers).		
Autumn 2 (8 weeks)	Number: Negative numbers, Decimals, BIDMAS.			Number: Rounding, Ordering, Estimating.		Number: Factors, Multiples & Primes.		
Spring 1 (5 weeks)	Algebra: Expressions & Equations.							
Spring 2 (6 weeks)	Algebra: Equations.			Geometry - 2D Shapes: Metric units (number), Perimeter & Area.				
Summer 1 (6 weeks)	Geometry - 3D Shapes: Surface area, volume, & Circles.				Number: Fractions/Decimals/Percentages			
Summer 2 (7 weeks)	Number: Fractions/Decimals/Percentages
