

Influential Middle Leaders

This programme is for inspirational Middle Leaders working in primary, secondary and special schools who wish to develop their influence in leading their department, phase or area.

The programme is evidence-informed, exploring and testing ideas through action research. Participants are able to steer the sessions to suit their own leadership contexts. Case studies from experienced leaders are built in, which allows participants to explore the potential of their next steps in their leadership journey.

**Partnership Cost:
£99 per delegate
Non-Partnership
Cost:
£249 per delgate**
