

MOTO

Moving to Outstanding

MOTO is a cross-phase, exciting, holistic professional learning programme which aims to develop the practice and pedagogy of talented colleagues who want to develop into Outstanding teachers. The aim of MOTO is to support delegates in becoming Outstanding teachers in their own classrooms and schools; reflecting on the skills, knowledge, attitudes and behaviours of outstanding practitioners, not 'just' how to teach 'outstanding lessons'.

**Partnership Cost:
£200 per delegate**

**Non Partnership
Cost:
£349 per delegate**
